Continuation of 2. NOTE: The amendment to claim 1 requires further reconsideration and/or search. In particular, the further structure of the claim may require additional consideration/search. Examiner would maintain the rejection with respect to the hours of operation. The examiner also reserves the right to further consider for adding a supplemental reference to clarify the geographical limitations which would further clarify the limitation with respect to the hours of operation for the claim as necessitated by amendment (e.g., by including a LATA map). Such a reference may require additional search/consideration. The examiner would also maintain the rejection with respect to capital allocation features. Examiner would further point out how capital assests are allocated is not further recited in the claims.
